A BEAM OF LIGHT CHRISTMAS LIGHTING CEREMONY

November 25, 2026 at 6:30 pm | Hotel Porte-Cochere & Lobby

A grand hotel and its Christmas lighting ceremony share a cherished tradition: bringing people together to mark the beginning of the festive season. In our opening year, Fairmont Bangkok Sukhumvit celebrates this occasion for the very first time, beginning a tradition we look forward to sharing for years to come. For us, every light is a thank-you. Our first Christmas lighting ceremony honors the guests, partners, and patrons whose warmth and support have brought the hotel to life. You are our beams of light, and this evening is our way of celebrating all that you have brought to our first chapter.

Fairmont BANGKOK SUKHUMVIT *In Partnership with* PIPATCHARA

Join us for "A Beam of Light" Christmas Lighting Ceremony, as we illuminate PIPATCHARA's sustainably crafted Christmas tree and unveil a spectacular lobby installation. With Christmas carols filling the air, enjoy exquisite canapés, celebratory drinks, and the pleasure of being together. The evening also marks the exclusive premiere of "Wish You Were Here," our short film celebrating the moments that bring you and those you love closer — a fitting beginning to a festive season dedicated to meaningful connections.
